

Bob Johnson

Junior Frontend Developer

Email: bob.johnson@email.com | Phone: (555) 456-7890 | Location: Austin, TX

Professional Summary

Enthusiastic and self-motivated Frontend Web Developer with 1.5 years of experience building beautiful, accessible user interfaces. Specialized in React.js, modern JavaScript (ES6+), and responsive CSS styling using Tailwind CSS. Dedicated to clean coding principles and crafting optimized digital experiences.

Core Technical Skills

- | | | |
|-----------|---------------------|----------------|
| • React | • JavaScript | • Tailwind CSS |
| • HTML5 | • CSS3 | • Git |
| • Zustand | • REST APIs | • Figma |
| • Sass | • Responsive Design | |

Work Experience

Junior UI Developer at Pixel Perfect Studio (2024 - Present)

- Developed fully responsive customer landing pages in React and Tailwind CSS, reducing browser layout shift by 30%.
- Integrated backend REST APIs using Axios and Zustand, enabling real-time client side data rendering.
- Participated in agile scrum meetings, contributing actively to user story designs and code reviews.
- Resolved cross-browser layout compatibility anomalies, improving mobile viewport rendering metrics.

Education

Bachelor of Arts in Web Design & Interactive Media - University of Texas (Graduated 2023)
